

OF THE STATE OF MISSOURI

IN THE MATTER OF U. S. WATER COMPANY )  
 )  
EXTENSION OF TIME TO FILE ITS ANNUAL REPORT

SUPPLEMENT TO REQUEST FOR ADDITIONAL  
EXTENSION OF TIME TO FILE ANNUAL REPORT

COMES NOW, U.S. WATER COMPANY (“U.S. WATER”), by and through the undersigned attorney, who respectfully states:

- 1) On July 19, 2005, U.S. Water requested an extension of an additional sixty (60) days (from July 14, 2005) within which to file its Annual Report for 2004.
- 2) The report is being prepared by the independent CPA of U.S. Water, who has been employed for many years for the preparation of each year's Annual Report.
- 3) The said CPA advises that he assumed that an extension of time to file the Annual Report had been obtained; that, while the Annual Report is nearing completion, he has not treated the matter as a priority; that he had a personal emergency which required him to be out of town for 8 days, which, together with other obstacles, has precluded him from timely completing the Annual Report.
- 4) The CPA for U.S. Water has assured the Company, and the PSC, that the Annual Report will be completed in time for its filing with the PSC on or before August 15, 2005.

- 5) That the Company was led to believe that the Annual Report would be timely prepared and, solely through inadvertence, an additional extension request was not filed until July 19.
- 6) This request is not being made to hinder or delay the Public Service Commission.

WHEREFORE, U.S. Water Company amends and supplements its previous request for additional extension of time to file its Annual Report (filed through EFIS on July 19, 2005) by revising its request for an extension of time to complete and file its Annual Report for 2004 to an extension through August 15, 2005 (as distinguished from the sixty (60) day extension request submitted in its July 19, 2005 filing), and respectfully requests that all penalties under Section 386.570 RSMo, and Commission rule 4 CSR 240-3.640(a) be waived.

Respectfully submitted,
