Case No. PD-2007-0326

ORDER CANCELING CERTIFICATE

Issue Date: March 19, 2007

Effective Date: March 29, 2007

On March 7, 2007, the Staff of the Commission filed a motion asking the Commission to cancel the certificate of service authority of Com-Tech Resources, Inc. d/b/a Com-Tech Systems, a company that has been authorized to offer private pay telephone services by the Commission.

In Case Number TA-98-137, the Commission granted Com-Tech a certificate of service authority to provide private pay telephone service in the State of Missouri via customer-owned coin-operated telephone equipment.

Staff's motion states that Com-Tech requested the Commission cancel its certificate of service authority because it is no longer providing service in Missouri. Furthermore, Com-Tech failed to file its annual registration report according to the Missouri Secretary of State's office, and its authority to do business in the State of Missouri was revoked on August 29, 2006. Staff recommends that the Commission cancel the company's certificate of service authority to provide private pay telephone service.

The Commission has the authority to cancel a certificate and tariff pursuant to Section 392.410.5, RSMo, which states, in part, “[a]ny certificate or service authority may be altered or modified by the commission after notice and hearing, upon its own motion or upon application of the person or company affected.”

Based on Staff’s motion and Com-Tech’s request to cancel its certificate, the Commission finds that the certificate of service authority granted to Com-Tech, shall be canceled.

IT IS ORDERED THAT:

1. The certificate of authority to provide private pay telephone services granted to Com-Tech Resources, Inc. d/b/a Com-Tech Systems, in Case Number TA-98-137 is canceled.
2. This order shall become effective on March 29, 2007.
3. This case may be closed on March 30, 2007.
