**ORDER OVERRULING MOTION TO ESTABLISH PROCEDURAL SCHEDULE**

On July 15, 1999, the Mid-Missouri Group, in response to the Commission's order of June 30, 1999, to file a procedural schedule no later than July 20, 1999, filed its *Motion to Establish Procedural Schedule*. The Applicants in all these cases are small telephone companies. Thus, all these cases are covered by RSMo 392.230(5) which states:

Whenever a small telephone company seeks to implement any new individual or joint rate, rental or charge, or any individual or joint regulation or practice affecting any rate, rental or charge, it shall file same with the commission and notify its customers of such change at least thirty days in advance of the date on which the new rate, rental, charge, regulation or practice is proposed to become effective. Upon the filing by a small telephone company of any new individual or joint rate, rental or charge, or any new individual or joint regulation or practice affecting any rate, rental or charge, the commission shall have, and it is hereby given, authority, either upon complaint or upon its own initiative without complaint, at once, and if it so orders without answer or other formal pleading by the interested small telephone company or companies, but upon reasonable notice, to enter upon a hearing concerning the propriety of such rate, rental, charge, regulation or practice; and pending such hearing and the decision thereon the commission, upon filing with such schedule and delivering to the small telephone company affected thereby a statement in writing of its reasons for such suspension, may suspend the operation of such schedule and defer the use of such rate, rental, charge, regulation or practice, but *not for a longer period than one hundred fifty days beyond the time when such rate, rental, charge, regulation or practice would otherwise go into effect.* If the commission fails to issue its decision within the one-hundred-fifty-day suspension period, the investigation shall be closed and the rate, rental, charge, regulation or practice shall be considered approved for all purposes. *(Emphasis supplied.)*

The Commission has a total of 180 days to act from the date of the tariff filing. The tariff filing date of the Alma and MoKan tariffs was on March 9, 1999, and 180 days from that date is September 5, 1999. Since the proposed procedural schedule has dates which occur after that date, the motion to accept it is overruled. The Commission will require a new procedural schedule to be filed no later than August 6, 1999, which allows the Commission adequate time to issue a decision effective September 5, 1999. All transcripts must be filed and briefs or oral arguments completed by August 23, 1999.

**IT IS THEREFORE ORDERED:**

1. That no later than 3:00 PM on August 6, 1999, the parties will file a modified procedural schedule.
2. That this order shall become effective August 13, 1999.

**BY THE COMMISSION**
