**ORDER APPROVING TARIFF SHEETS
IN COMPLIANCE WITH COMMISSION ORDER**

On February 26, 1998, the Commission issued an Order Approving Revision to Underground Distribution System Extension Standards. On March 12 Union Electric Company (Company) filed tariff sheets to comply with the Commission's order. The tariff sheets bear an effective date of April 11. The Company requests expedited review of these tariffs because the home building season is about to commence and because the Company and the Home Builder's Association would like to begin the design and layout of new subdivisions on the basis of the revised tariffs.

On March 13 the Staff of the Commission (Staff) filed a memorandum which indicated that the tariff sheets filed by the Company are in compliance with the Commission's order. Staff recommended that the Commission issue an order approving the tariff sheets as soon as possible.

The Commission has reviewed the tariff sheets filed by Company and the Staff's memorandum. The Commission finds that the tariff sheets filed by the Company on March 12 are in compliance with the Commission's order. The Commission will grant expedited approval of the tariff sheets so that they may become effective on March 20.

IT IS THEREFORE ORDERED:
