**ORDER GRANTING MOTION FOR EXTENSION OF TIME  
WITHIN WHICH TO FILE PROPOSED TARIFFS**

The Commission issued its order granting a conditional certificate of service authority to provide basic local telecommunications services to QCC, Inc. (QCC) on December 23, 1997. In that order, QCC was directed to file a proposed tariff no later than February 2, 1998. On February 9, QCC filed a Motion for Extension of Time Within Which to File Proposed Tariffs seeking a 45-day extension of the tariff filing deadline.

The Commission has reviewed QCC's request and finds it reasonable. Additionally, the Commission finds granting an extension of the filing deadline will not prejudice any party. Therefore, the Commission will grant QCC's motion and extend the tariff filing deadline to March 19.

**THEREFORE, IT IS ORDERED:**

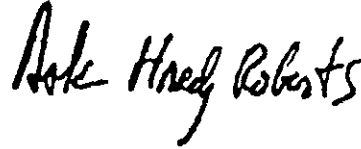

1. That the Motion for Extension of Time Within Which to File Proposed Tariffs filed by QCC, Inc., on February 9, 1998, is granted.

2. That QCC, Inc., shall file for approval by the Commission tariff sheets with a minimum 30-day effective date reflecting the rates, rules, regulations and the services it will offer no later than March 19, 1997. The tariff shall be filed in Case No. TA-97-380 and shall include a listing of the statutes and Commission rules waived in Ordered

Paragraph 7 of the Commission's December 23, 1997, Order Granting Certificate to Provide Basic Local Telecommunications Services.

3. That this order shall become effective on February 25, 1998.
