of Interconnection Agreement Under the)		
Telecommunications Act of 1996.)		

ORDER DIRECTING FILING

On April 29, 1999, the Staff of the Missouri Public Service Commission moved to close this case. A review of the Commission's records reveals that the last action herein was the Commission's approval on February 19, 1998, by order, of an interconnection and reciprocal compensation agreement between the parties, Southwestern Bell Telephone Company (SWBT) and Southwestern Bell Wireless, Inc. However, the order of February 19, 1998, required the parties to "file a copy of this agreement with the Staff of the Missouri Public Service Commission, with the pages numbered seriatim in the lower right-hand corner." The Commission's records do not show that the parties ever filed the agreement as directed.

IT IS THEREFORE ORDERED:

1. That the parties shall file, within twenty (20) days of the effective date of this order, an executed copy of their agreement with the Commission, with the pages numbered seriatim in the lower right-hand corner.

2. That this order shall be effective on May 14, 1999.
