ORDER FURTHER SUSPENDING TARIFF

On October 10, 1997, Green Hills Communications, Inc. (Green Hills) filed an application requesting a certificate of service authority to provide intrastate interexchange and local exchange telecommunications services in the state of Missouri. Green Hills is a wholly-owned subsidiary of Green Hills Telephone Corporation (Green Hills Corp.). On November 18, the Commission issued its Order Granting Intervention and Suspending Tariff. That order suspended the tariff sheets for a period of 120 days from November 24 to March 24, 1998.

A hearing was held on February 13, and the transcript was filed on March 4. One set of simultaneous briefs are due on March 20. Because the effective date of the tariff as suspended will not permit adequate time for the Commission to review the briefs and issue an order, the Commission finds that the tariff should be further suspended for an additional period of 37 days, to April 30.

IT IS THEREFORE ORDERED:

- 1. That the tariff filed by Green Hills Communications, Inc. on October 10, 1997 is further suspended for an additional 37 days from March 24, 1998 to April 30, 1998.
 - 2. That this order shall become effective on March 19, 1998.
