Ref: Pleading to not dismiss case

Case # EC-2003-0508

Edward K. Moses Sr. vs. Kansas City Power & Light

Dear Commission:

I am filing this request asking you to not dismiss the aforementioned case based on the fact that I did not receive notification until after the deadline. My mailing address is different from my physical address. I stressed this point at the time of the initial filing. I have had a post office box for well over a year. As a matter of fact, I've had my post office box for more than 15 years.

In order to receive mail addresses to my street address, the mail piece would have to be forwarded. A forwarding order is only good for one (1) year. Only by chance do I receive anything addressed to the street after the one year period.

I am asking for an extension of time to file for two reasons. The first reason is as stated above, I wasn't properly notified and secondly, Kansas City Power & Light was afforded the same opportunity because of staffing problems earlier in this proceeding.

Please address all future correspondence to: Edward K. Moses Sr.  
P.O. Box 35681

Thank you in advance for your cooperation and understanding.

Sincerely, *Edward K. Moses Sr.*
