**Re: Public Communications Services, Inc.

Cancellation of Certificates**

Dear Secretary Woodruff:

The Missouri Public Service Commission (the "Commission") granted Public Communications Services, Inc. (the "Company") a Certificate of Service Authority to provide interexchange services in Case No. TA-2000-787 on July 12, 2000, and a Certificate of Service Authority to Provide Private Payphone Services in Case No. TA-2000-788 on July 11, 2000. By this letter and pursuant to Commission Rule 28.011(3), the Company's parent, Global Tel*Link Corporation d/b/a ViaPath Technologies, respectfully informs the Commission that the Company seeks to cancel its Certificates and any tariffs that may be on file with the Commission. The Company has no customers in Missouri, and no longer needs the Certificates. Accordingly, the Company respectfully requests that the Commission cancel its Certificates effective as of the date of this letter.

Respectfully submitted,

/s/ Pelicia E. Hall
