

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

In the Matter of the Application of Assist Wireless, L.L.C.)
for Designation as an Eligible Telecommunications) **File No. RA-2011-0384**
Carrier in the State of Missouri)

NOTICE OF CORRECTION AND CLOSING FILE

Issue Date: December 19, 2011

On November 7, 2011, the Commission issued an order captioned as "Order Granting Application For Designation As An Eligible Telecommunications Carrier." In that order the Commission stated:

Assist Wireless is a Tennessee corporation whose principal offices are located at 1407 Texas Street, Suite 402, Fort Worth, TX 76102.

On December 19, 2011, Assist Wireless, L.L.C. filed a motion to correct this notation in the order. Due to an error in the original application, and the Commission's inadvertence to a change of the company's address, this statement is inaccurate and will be corrected. The sentence should have read:

Assist Wireless is a Texas corporation whose principal offices are located at 2330 Gravel Street, Fort Worth, Texas 76118.

The order is accordingly corrected nunc pro tunc. There is no further action required by the Commission in this matter and the file shall be closed.
