Communications Services Corporation for) Case No. TO-2001-400
Approval of Interconnection Agreement Under)
the Telecommunications Act of 1996.)

ORDER DIRECTING FILING

On March 6, 2001, the Commission issued an order approving the interconnection agreement between AT&T Wireless Services, Inc., and ALLTEL Communications Services Corporation. As part of its recommendation in this case, the Staff of the Missouri Public Service Commission (Staff) recommended that the Commission direct the parties to submit a copy of the interconnection agreement with the pages numbered sequentially. There was no objection to this recommendation; however, the Regulatory Law Judge neglected to direct that a sequentially numbered copy of the interconnection agreement be submitted. Therefore, on its own motion, the Commission will direct that AT&T Wireless Services, Inc., and ALLTEL Communications Services Corporation submit a sequentially numbered copy of the interconnection agreement to Staff.

IT IS THEREFORE ORDERED:

1. That no later than April 9, 2001, AT&T Wireless Services, Inc., and ALLTEL Communications Services Corporation shall submit to the Staff of the Missouri Public Service Commission (Staff) a copy of their interconnection agreement with the pages sequentially numbered.

2. That upon submission of the copy of the interconnection agreement, AT&T Wireless Services, Inc., and ALLTEL Communications Services Corporation shall file a notice in the official case papers indicating that they have complied with this order.

3. That for record-keeping purposes, this case may remain closed.
