**Case No. SA-2007-0373**

**ORDER GRANTING MOTION FOR EXTENSION OF TIME**

Issue Date: June 1, 2007

Effective Date: June 1, 2007

On April 5, 2007, the Missouri Public Service Commission issued its Order and Notice directing that the Staff of the Commission file its recommendation no later than May 21. On May 21 Staff filed a motion for an extension of time to file its recommendation. Staff points out that EMC of St. Charles County, LLC has not filed a feasibility study and that Staff is therefore unable to complete its analysis of the company's application. Staff states that it will be able to file its recommendation within 45 days of the company filing the feasibility study.

Commission rule 4 CSR 240-2.080(15) requires that responsive pleadings be filed within 10 days. There has been no pleading filed in response to Staff's motion. The Commission will therefore grant the requested relief.

**IT IS ORDERED THAT:**

1. The Staff of the Commission's motion for an extension of time in which to file its recommendation is granted.

2. This order shall become effective on June 1, 2007.
