Case No. SA-2010-0219

PROPOSED DATE FOR FILING RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through the undersigned counsel, and respectfully states the following to the Missouri Public Service Commission (“Commission”):

1. On March 2, 2010, the Commission held a prehearing conference, during which the Staff engaged in discussions with Canyon Treatment Facility, LLC (“Canyon Treatment” or “Company”) and intervenors Royal Vista, LLC, and VPG Partners VI, LLC, to determine the interests of all parties and develop the proper procedural track for this case.

2. In Case No. SC-2010-0161, the Staff’s *Complaint* alleged that from approximately May 2003, several Respondents including Canyon Treatment have owned, operated, controlled or managed a sewer corporation as defined by Section 386.020 (49) RSMo (Supp. 2009). The complexities of this case, in part due to the sewer corporation’s years of operation, necessitate an extensive audit similar to that conducted by the Staff during a small company rate increase request.

3. Due to the necessity of an audit and the current press of business, the Staff respectfully requests that the Commission allow until August 9, 2010, for it to complete an investigation and file a recommendation with the Commission.

WHEREFORE the Staff requests that the Commission issue an order allowing the Staff until August 9, 2010, to complete an investigation and file a recommendation with the Commission.

Respectfully submitted,

/s/Jennifer Hernandez
