operator services usage rates.	)	

ORDER APPROVING TARIFF

On May 23, 1995, Sprint Communications Company L.P. (Sprint) submitted a tariff to introduce a separate rate table for Operator Services usage rates. Sprint requested expedited approval of this tariff and this docket was created to address that request.

Sprint has stated the purpose of this tariff is to introduce a separate rate table for Operator Services usage rates. Currently, Operator Services usage rates are the same as Sprint (MTS) rates. The introduction of this new table will result in a rate reduction for Missouri customers.

On May 31, 1995, the Telecommunications Department Staff of the Public Service Commission (Staff) filed its Memorandum in which it recommended approval of the tariff sheets. Staff states it has reviewed the proposal and has no objection to the proposed tariff or to Sprint's request for expedited Commission consideration. The Commission has reviewed the tariff sheets, the Staff Memorandum and the entirety of the file and finds that the proposed tariff sheets are not detrimental to the public interest.

IT IS THEREFORE ORDERED:

1. That the tariff sheets submitted by Sprint Communications Company L.P. on May 23, 1995, are approved for service on and after June 17, 1995:

P.S.C. Mo. Tariff No. 2

6th Revised Page A-36, Cancels 5th Revised Page A-36
1st Revised Page A-37, Cancels Original Page A-37

2. That this order shall become effective on June 17, 1995.
