In the Matter of the Cancellation of the )  
Certificate of Service Authority and )  
Accompanying Tariff of Global )  
Telephone Corporation )

Case No. TD-2002-107

**ORDER CANCELING CERTIFICATE AND TARIFF**

On August 17, 2001, the Staff of the Missouri Public Service Commission filed a motion asking the Commission to cancel the certificate of authority and tariff of Global Telephone Corporation (Global) under the Commission's authority pursuant to Section 392.410, RSMo 2000. The Commission granted Global a certificate of service authority to provide intrastate interexchange telecommunications services in case number TA-97-322.

Staff provided documentation with its motion showing Global to be in a Chapter 7 bankruptcy proceeding. Staff contacted Global's bankruptcy trustee who was of the belief that Global had no customers in Missouri. Staff served its motion on Global's bankruptcy trustee. The trustee has not responded to Staff's motion. No party has requested a hearing.

The Missouri Secretary of State's web site shows that Global's corporate authority in Missouri was administratively dissolved during 2001.

The Commission has reviewed the motion and the official file and finds that the certificate of service authority and accompanying tariff to provide intrastate

interexchange telecommunications services granted to Global in case number TA-97-322 shall be canceled.

**IT IS THEREFORE ORDERED:**

1. That the certificate of authority granted and tariff approved in case number TA-97-322 for Global Telephone Corporation shall be canceled on September 23, 2001.
2. That the tariff of Global Telephone Corporation shall be canceled on September 23, 2001.
3. That this order shall become effective on September 23, 2001.
4. That this case may be closed on September 24, 2001.
