On February 5, 1992, the Commission approved, with an effective date of February 19, 1992, the Joint Application to sell, convey, and transfer the franchise, works, or water system of Lochmead Enterprises, Inc. d/b/a Crest View Acres Water Company to KMB Utility Corporation, Inc. (KMB). On February 14, 1992, filed tariff sheets with an effective date of March 15, 1992 to comply with the Commission's order. On March 11, 1992 KMB submitted a letter extending the effective date of the tariffs to April 14, 1992 because of a delay in the closing of the sale. On April 7, 1992 the Commission received written notice from KMB that the sale was closed on March 26, 1992. On April 8, 1992, the Commission's Staff recommended approval of the tariff sheets that were filed by KMB on February 14, 1992.
