Issue Date: October 13, 2005 Effective Date: October 13, 2005

This order directs the Staff of the Commission to file an update advising the Commission of a date by which Staff will file a memorandum and recommendation in this matter.

On March 14, 2005, Central Rivers Wastewater Utility, Inc. filed an application requesting Commission authority to construct, maintain and operate a sewer system in Clay County, Missouri. This proceeding was stayed while the Commission waited, in Case No. SE-2005-0419, to receive the company's annual report. As noted in Case No. SE-2005-0149, the company satisfied its annual-report requirement on September 8, 2005. The Commission will therefore proceed with this matter.

IT IS THEREFORE ORDERED:

1. That the Staff of the Commission shall file a pleading advising the Commission of when Staff will file its recommendation and memorandum in this matter.

2. That this order shall become effective on October 13, 2005.
