**ORDER GRANTING MOTION TO CANCEL CERTIFICATE  
AND CLOSING CASE**

Issue Date: August 6, 2012

Effective Date: September 5, 2012

On July 17, 2012, the Missouri Public Service Commission issued an *Order Approving a Unanimous Stipulation and Agreement Authorizing the Transfer of Assets* from Canyon Treatment Facility, LLC to Stone County Sewer District No. 1. In the order, the Commission also directed the Staff of the Commission to notify the Commission when the transfer was complete.

On August 3, Staff filed a notice informing the Commission that the transfer was complete and moved the Commission to cancel the certificate of Canyon Treatment.

Because Canyon Treatment Facility has transferred its assets to Stone County who will now provide service to those customers served by Canyon Treatment, Canyon Treatment is no longer in need of its certificate. Further, because the authorized transfer has been complete, this case need not remain open.

The Commission will therefore grant Staff's motion, cancel the certificate of Canyon Treatment and close this case.

**THE COMMISSION ORDERS THAT:**

1. The Staff of the Commission's motion to cancel the Certificate of Convenience and Necessity awarded to Canyon Treatment Facility, LLC is granted
2. The Certificate of Convenience and Necessity belonging to Canyon Treatment Facility, LLC is cancelled.
3. This order shall become effective on September 5, 2012.
4. This case shall be closed on September 6, 2012.
