

At a Session of the Public Service Commission held at its office in Jefferson City on the 19th day of January, 1994.

ORDER RECOGNIZING CHANGE OF CORPORATE NAME AND APPROVING TARIFFS

On January 12, 1994, the Staff of the Missouri Public Service Commission (Staff) filed a memorandum giving its recommendation. Staff stated that it had reviewed Company's filing and the tariff sheets filed on December 23, 1993, and had no objection to Company's change of name. Staff recommended that the Commission approve the tariffs. Staff was of the opinion that no customer notice of the revised tariffs was necessary since customers will continue to

receive service from the corporation under its fictitious name of "Oncor Communications, Inc." and the tariffs make no change in service or rates.

Having reviewed Company's filing, the tariff sheets, and Staff's recommendation, the Commission finds that Company's change of name should be recognized. The Commission further finds that the tariff sheets reflecting that change of name are reasonable and will cause no inconvenience to ratepayers. The Commission finds that the proposed tariffs filed on December 23, 1993, are identical in the services and pricing they describe to the tariffs approved for Company in prior rate cases and that these revised tariffs should be approved. The Commission notes that, although the tariff sheets are denominated "original", they have been revised to the extent that they change the corporate name.

IT IS THEREFORE ORDERED:

1. That the change of corporate name from "International Telecharge, Inc." to "Operator Communications, Inc." is hereby recognized.

2. That the tariffs filed by Operator Communications, Inc. on December 23, 1993, are hereby approved for service on and after January 22, 1994. The tariff sheets approved are:
