OF THE STATE OF MISSOURI

In the Matter of the Cancellation of the Certificate of) Case No. PD-2006-0202 Service Authority of Aztec Marketing, Inc.

ORDER CANCELING PRIVATE PAY TELEPHONE CERTIFICATE

Issue Date: November 22, 2005 Effective Date: December 2, 2005

On November 8, 2005, the Staff of the Missouri Public Service Commission filed a motion requesting that the certificate to provide pay telephone service of Aztec Marketing, Inc., be canceled. Staff notes that the Commission granted Aztec Marketing a certificate of service authority to provide private pay telephone services in Case No. TA-2001-604. Staff states that the company has not returned the Commission's Statement of Revenue form for at least the past four years and that the Commission has assessed the company with an estimated assessment of \$0.00. Staff also indicates that it contacted Robin Martinez, the counsel and registered agent for Aztec Marketing, on November 3, 2005, and verified that the Commission has the company's correct address. The registered agent/counsel informed Staff that the company is not providing payphone service and that the certificate should be canceled.

Aztec Marketing did not respond to Staff's motion, and the time for doing so has now passed.¹

Section 392.410, RSMo 2000, gives the Commission authority over the granting of certificates of service authority to provide telecommunications services. The

Commission has reviewed Staff's motion and finds that it is appropriate to cancel the private payphone certificate granted to Aztec Marketing.

IT IS THEREFORE ORDERED:

- 1. That the private payphone certificate granted to Aztec Marketing, Inc., in Case No. TA-2001-604 is canceled.
 - 2. That this order shall become effective on December 2, 2005.
 - 3. That this case may be closed on December 3, 2005.

BY THE COMMISSION

Colleen M. Dale Secretary

(SEAL)

Vicky Ruth, Senior Regulatory Law Judge, by delegation of authority pursuant to Section 386.240, RSMo 2000.

Dated at Jefferson City, Missouri, on this 22nd day of November, 2005.
