JOINT APPLICATION

COME NOW Silverleaf Resorts, Inc. (Silverleaf) and Algonquin Water Resources of Missouri, LLC (Algonquin), and, pursuant to Section 393.190, RSMo 2000, 4 CSR 240-2.060, 4 CSR 240-3.310 and 4 CSR 240-3.605, state the following to the Missouri Public Service Commission (Commission) as their Joint Application:

BACKGROUND INFORMATION

- 1. Silverleaf is a Texas corporation with its principal office and place of business at 1221 River Bend Drive, Suite 120, Dallas, Texas 75247, (214) 631-1166 (voice) and (214) 905-0514 (fax). Silverleaf is in good standing. A Certificate of Good Standing from the Office of the Missouri Secretary of State is attached hereto as **Appendix A**. Silverleaf currently provides water and sewer service to the public in the Ozark Mountain Resort near Kimberling City, Missouri and in the Timber Creek Resort near Desoto, Missouri. Silverleaf also provides water service to the public in the Holiday Hills Resort near Branson, Missouri. Silverleaf currently provides water service to approximately 721 customers and sewer service to approximately 248 customers. Silverleaf operates in the State of Missouri pursuant to certificates granted by the Commission in Cases Nos. WA-94-60, WA-94-246 and WA-98-129.
- 2. Silverleaf is a "water corporation," a "sewer corporation" and a "public utility" as those terms are defined in Section 386.020 RSMo. 2000, and is subject to the jurisdiction and

supervision of the Commission as provided by law. Silverleaf has no pending action or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment or decision has occurred within the last three years. Silverleaf has no overdue Commission annual reports or assessment fees.

- 3. Algonquin is a Missouri limited liability company. A Certificate of Good Standing from the Office of the Missouri Secretary of State is attached hereto as **Appendix B**. Algonquin has a principal office and place of business located at 111 W. Wigwam Boulevard, Suite B, Litchfield Park, AZ 85340, (623) 935-9367 (voice) and (623) 935-1020 (fax).
- 4. The sole member of Algonquin Water Resources of Missouri, LLC is Algonquin Water Resources of America (AWRA), a Delaware Corporation. AWRA is an indirect wholly owned subsidiary of the publicly traded entity Algonquin Power Income Fund ticker symbol APF.UN on the Toronto Stock Exchange. This fund was established to own energy and infrastructure related assets in the United States and Canada. Since its inception in 1997, the Algonquin Power Income Fund has grown to hold approximately \$800 million in such assets.
- 5. By way of background, AWRA currently serves approximately 50,000 water and wastewater connections in southern parts of the United States through its numerous subsidiary companies such as the Litchfield Park Service Company (LIPSCO) of Phoenix, AZ, or the Bella Vista Water Company of Sierra Vista, AZ. Additional information, including quarterly and annual financial reports, can be accessed via the web at www.AlgonquinPower.com.
 - 6. Communications in regard to this Application should be addressed to:

Dean L. Cooper, Attorney Brydon, Swearengen & England P.C. 312 East Capitol Avenue P.O. Box 456 Jefferson City, Missouri 65102 (573) 635-7166 (573) 635-3847 (facsimile)

THE TRANSACTION

- 7. Silverleaf and Algonquin have entered into an Asset Purchase Agreement dated August 29, 2004 ("Agreement"), a copy of which, along with its amendments, is marked <u>Appendix</u> C, and attached hereto. Pursuant to the Agreement, Algonquin proposes to obtain and acquire certain assets of Silverleaf as specifically described in the Agreement under the terms and provisions further described in the Agreement. Such assets include the Silverleaf water and sewer utility assets located in the State of Missouri.
- 8. Because Silverleaf is a water corporation and sewer corporation doing business in the State of Missouri, it is subject to the provisions of Section 393.190.1, RSMo 2000, which states, in pertinent part, that "no . . . water corporation or sewer corporation shall hereafter sell, assign, lease, transfer, mortgage or otherwise dispose of or encumber the whole or any part of its franchise, works or system, necessary or useful in the performance of its duties to the public . . . without having first secured from the Commission an order authorizing it so to do."

ADDITIONAL INFORMATION

- 9. A certified copy of the resolutions of the Board of Directors of Silverleaf and the Certificate of Contract Authorization of Algonquin authorizing the sale and purchase, respectively, of the subject assets and related transactions contemplated by the Agreement are marked **Appendix D and E**, attached hereto, and made a part hereof for all purposes.
- 10. A balance sheet and income statement with adjustments showing the results of the acquisition of the property for Algonquin is marked **Appendix F**, attached hereto, and made a part hereof for all purposes.
 - 11. The sale of assets should have no impact on the tax revenues of relevant political

subdivisions as Silverleaf and Algonquin are both private entities.

PUBLIC INTEREST

- 12. For the following reasons, the proposed sale of the specified assets of Silverleaf and the related transactions are not detrimental to the public interest of the State of Missouri and in fact will be consistent with and will promote the public interest.
- 13. The assets of Silverleaf will be acquired by Algonquin and remain subject to the jurisdiction of the Commission. As described above, Algonquin has expertise and experience in providing water and sewer utility services.
- 14. Algonquin is fully qualified, in all respects, to own and operate the systems currently being operated by Silverleaf and to otherwise provide safe, reliable and affordable service. Algonquin will continue to utilize the rates, rules and regulations and other tariffs currently on file with and approved by the Commission and will continue to operate under those rates, rules and regulations until such time as they may be modified according to law. To accomplish this, Algonquin would propose to file tariffs sheets adopting the Silverleaf water and sewer tariffs at the conclusion of this proceeding.

WHEREFORE, Silverleaf and Algonquin respectfully request that the Commission issue its order:

- (A) authorizing Silverleaf to sell the assets identified herein;
- (B) authorizing Silverleaf and Algonquin to perform in accordance with the terms described in the Asset Purchase Agreement, as amended, that is attached to this Joint Application and to take any and all other actions which may be reasonably necessary and incidental to the performance of the sale;
 - (C) transferring Silverleaf's water and sewer certificates to Algonquin or, in the

alternative, granting Algonquin water and sewer certificates to serve those areas for which Silverleaf currently holds certificates; and,

(D) granting such other relief as may be deemed necessary and appropriate to accomplish the purposes of the Agreement and the Joint Application and to consummate related transactions in accordance with the Agreement.

Respectfully submitted,

Dean L. Cooper
