SYM

TO ALL PUBLIC UTILITIES OPERATING IN THE STATE OF MISSOURI:

Gross intrastate operating revenue is to be reported in compliance with the provision of Section 386.370, RSMo. 1997.

Please report, to the nearest dollar, gross intrastate operating revenue for the 1997 calendar year on the enclosed Statement of Revenue form, and forward one notarized copy of the form to the Internal Accounting Department on or before March 31, 1998. If you had "zero" gross intrastate operating revenue for calendar year 1997, we ask that you still submit the Statement of Revenue form. If your Statement of Revenue is not received prior to March 31, 1998, operating revenue for 1997 will be estimated, and your assessment will be based on estimated operating revenue. Please retain one copy of the Statement of Revenue form for your file.

Your cooperation will be appreciated. Please feel free to contact the Internal Accounting Department of the Public Service Commission at (573) 751-2457 if you have any questions.

Sincerely,

Cecil I. Wright
