**Subject:** RE: Empire Electric and Empire Gas - AW-2014-0329 (paystations)

Attached are all of the written contracts in the possession of Empire Electric or Empire Gas for in-person paystations. These are proprietary documents. Also attached are the lists of all in-person paystations currently being used by Empire Electric and Empire Gas. These lists are available on the Company's website.

Empire does not utilize any payday loan places for in-person paystations, although one payday loan location was being used by Aquila at the time Empire Gas acquired that service area. Empire does, however, want to maintain the ability to select whatever locations the Company believes will serve its customers' needs and does not want to be limited to only certain types of businesses for in-person paystations. Empire uses some rent-to-own businesses as paystation locations. Empire has not received any complaints from its customers about these locations.

Please let me know if you need any more information.

Thanks, Diana

I am putting together Empire's information to produce to Staff by tomorrow pursuant to the Commission's May 27<sup>th</sup> order in the paystations docket. Should that information be sent to particular Staff members?

Thanks, Diana
