On March 25, 2011, the Staff of the Missouri Public Service Commission filed a motion to cancel the certificate of service authority of Titan Communications, LLC ("Titan").

On April 8, 2011, the Commission issued its Order Directing Notice. On April 26, the company filed its objection to Staff's motion and indicated it needs to maintain its Missouri certification in order to maintain its status in the Commission case TC-2005-0067. On June 20, 2011, Staff withdrew its Motion to cancel the Certificate of Service Authority for Titan following the objection from the company. Since nothing remains for decision by the Commission, this case shall be closed.
