RE:

Replacement Tariff Sheet Filing Case No. WR-2014-0154

## Dear Secretary:

Enclosed for filing with the Commission are an original and three copies of a replacement tariff sheet regarding the above-referenced Case No. This replacement sheet is being submitted to replace the original tariff sheet that I originally submitted on April 24, 2014 and that became effective October 18, 2014. Specifically, I am submitting this replacement sheet for the following originally proposed tariff sheet:

PSC Mo No. 3 Riest Revised Sheet No. 6 replacing PSC Mo No. 3 Original Sheet No. 6 Lam submitting this substitute sheet at the request of the Commission Staff to correct the rates in the originally effective tariff sheet to be in compliance with the rates approved by the Commission on October 8, 2014. In addition, the Company requests the Commission approves this replacement sheet in an expedited manner.

Please contact me at your convenience if you need anything further regarding this matter.

Sincerely.

August E. Helemscherfleyer

President PVSC

## Rules & Regulations Governing Rendering of Water Service

## Schedule of Rates

Availability: The Company holds itself out to provide water for distribution at retail only and no sales of water for re-distribution shall be made. Otherwise, service is available to any customer adjacent to the Company's water distribution mains using standard water service.

Residential or Domestic Use: \$28.45 per quarter

Commercial: \$28.45 per quarter

Commercial with Restaurant: \$54.07 per quarter

Yard Hydrants in Parks, Beaches, or Camping Areas: per quarter \$14.24

Availability Charge: \$7.94 per quarter

The availability charge is applicable where the Company has a water main located adjacent to a lot or lots in Peaceful Valley Late Estates Subdivision and the owner of said property is subject to a contract agreement with or an assignment to the Company, wherein it is agreed that the property owner will pay to the Company an availability charge until a water service line is connected to the property. At the time a service line is connected, the other rates in this tariff will apply.

As a condition of service, a property owner will be required to pay any availability charge owed since the effective date of this provision (July 1, 1985), before the Company is required to provide water service.
