

**BEFORE THE PUBLIC SERVICE COMMISSION
OF THE STATE OF MISSOURI**

Report of Rule Violation

In accordance with 20 CSR 4240-23.030(6)(D), Ameren Missouri reports that due to a software problem that went unnoticed, property owners were not provided the notification of planned vegetation management as required by 20 CSR 4240-23.030(7) for the period from May 5, 2021 to October 12, 2021. The software problem was discovered on October 12, 2021, and was swiftly resolved. All property owners are now receiving the required notice. For any property owners who had not received a notice under 20 CSR 4240-23.030(7) due to the software problem, and upon whose property planned vegetation management had not yet commenced, Ameren Missouri provided notice of the planned vegetation management via direct mailing.

Respectfully submitted,
