REQUEST FOR EXTENSION OF TIME

COMES NOW the Staff of the Missouri Public Service Commission (“Staff”), by and through its attorney and, for its *Request for Extension of Time*, states to the Missouri Public Service Commission (“Commission”) as follows:

1. On August 23, 2010, the Commission issued an *Order Directing Notice of Working Case and Directing Filing* (“Order”) in the above referenced cases ordering the Staff to file a proposed schedule for workshops, along with any other proposals it has regarding the procedure to follow in these workshop dockets by September 24, 2010.

2. On September 8, 2010, the Commission issued an *Order Directing Additions to the Service List*.

3. At this point, the Staff requests additional time to respond to the Commission’s request for a schedule for the workshops until January 7, 2011. This extension would allow all the necessary parties to respond to the notice of filing and service as well as additional time for Staff to thoroughly review the subjects these workshops are to address.

WHEREFORE, the Staff respectfully requests an extension of time until January 7, 2011 to respond to the Commission’s Order directing a proposed schedule.

Respectfully submitted,

/s/ Rachel M. Lewis
