ORDER GRANTING MOTION TO MAKE TARIFF PERMANENT,  
ADJUST BEGINNING ACA BALANCE AND CLOSE DOCKET

The Commission's Staff (Staff) has filed a motion requesting an order of the Commission directing United Cities Gas Company (UCGC) to adjust the invoiced gas cost from its supplier, American Central, which adjustment would constitute a line item applied to the beginning ACA balance for the period of the 1990-1991 actual cost adjustment (ACA) audit; approving on a permanent basis the tariff sheet submitted by UCGC July 20, 1990, and approved by the Commission on July 27, 1990, on an interim basis subject to refund; and closing this docket.

UCGC filed a response to Staff's motion agreeing that the adjustment of \$4,375.00 suggested by Staff should be made and that this case should be closed since all matters at issue in this case are now the subject of agreement between Staff and UCGC. UCGC does note, however, that its agreement on matters at issue in this docket should not be construed as a concession on matters which UCGC still considers to be at issue in its appeal of Case No. GR-90-233.

Based upon the foregoing, the Commission determines that Staff's motion is reasonable and should be granted.

IT IS THEREFORE ORDERED:

1. That the motion of the Commission's Staff to, *inter alia*, close the above-referenced case be granted hereby.

2. That United Cities Gas Company be directed hereby to adjust the invoiced gas cost from its supplier, American Central, in the amount of \$4,375 which

adjustment shall be a line item applied to the beginning actual cost adjustment (ACA) balance for the period of the 1990-1991 ACA audit.

3. That the tariff submitted by United Cities Gas Company July 20, 1990, and approved by the Commission on July 27, 1990, on an interim basis subject to refund, be approved hereby on a permanent basis.

4. That Case No. GR-90-30 be closed hereby.

5. That this order shall become effective on the 13th day of August, 1991.
