**RESPONSE TO MOTION TO CONSOLIDATE AND APPLICATION TO
INTERVENE**

COMES NOW, the Southern Star Central Gas Pipeline, Inc. ("Southern Star") and for it's Response to Motion to Consolidate and Application to Intervene states and alleges as follows:

1. Southern Star is an interstate natural gas pipeline and storage operator with active pipeline operations in Missouri.
2. Southern Star operates that part of its system in Southwestern Missouri in or around Christian, Stone and Taney counties and it is identified as a potential supplier of wholesale gas transportation service to the Alliance Gas Energy Corporation ("AGE") project which is the subject of this docket.
3. On February 21, 2007, the Commission Staff filed a motion to consolidate this case with Case No. GA-2006-0561. Case No. GA-2006-0561 is Ozark Energy Partners, LLC's application for a certificate of convenience and necessity to operate a natural gas distribution system in portions of three southwest Missouri counties. Staff indicates that

the proposed service territories contemplated by the two applications would at least in part overlap. Staff further points out that Southern Star is the only party in Case No. GA-2006-0561 that is not currently a party to this case. Southern Star's failure to intervene in this proceeding was an oversight.

4. Southern Star agrees with Staff that these cases should be consolidated and is therefore requesting permission to intervene in this docket because its interest in this matter are different than that of the general public and which may be adversely affected by the Commission's final order in this case.

5. The representation of Southern Star's interests in this proceeding by any other parties is or may be inadequate.

6. All correspondence, pleadings, orders, decisions and communications regarding this proceeding should be sent to:

7. Southern Star has not yet determined its position on the Application of AGE and hereby reserves the right to do so at a later appropriate date as information becomes available.

WHEREFORE, SOUTHERN STAR RESPECTFULLY REQUESTS THE Commission grant Staff's Motion to Consolidate and this Application for Intervention in this Docket.

Respectfully submitted,

Paul S DeFord
