**AMEREN MISSOURI'S RESPONSE TO  
THE OFFICE OF PUBLIC COUNSEL'S MOTION**

**COMES NOW** Union Electric Company d/b/a Ameren Missouri ("Ameren Missouri") and responds to the Office of Public Counsel's ("OPC") motion to direct status reports and updates regarding funding from the Infrastructure Investment and Jobs Act of 2021 ("IIJA") and the Inflation Reduction Act of 2022 ("IRA"). Ameren Missouri provides the following response:

Ameren Missouri does not object to OPC's request to provide a status report regarding current and future IRA and IIJA applications as requested. OPC's request, however, does not specify the timing of when updates should be provided. The Company recommends the Missouri Public Service Commission require utilities to either discuss agreed upon filing date with OPC and Public Service Commission Staff<sup>1</sup> or direct the utilities to provide the requested information in late October to allow time for the federal agencies to respond to the applications, to provide a more detailed summary of any applications, and minimize the need for multiple filings.

---

<sup>1</sup> Ameren Missouri provided Public Service Commission Staff with detailed information regarding the applications through data request responses in File Number EO-2023-0373 and the information is available to OPC.

Respectfully submitted,
