STAFF'S SIXTH STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission (Staff), by and through the undersigned counsel, and respectfully provides the following status report to the Commission:

1. On November 3, 2010, the Staff filed its *Third Status Report And Motion To Stay Procedural Schedule And File Status Reports* to advise the Commission that the parties continued to discuss several potential options for compromise or resolution, including a potential transfer of the Canyon Treatment Facility, LLC (Canyon Treatment), sewer system at issue to the Stone County Sewer District (Sewer District).

2. Over the last two weeks, the Staff has participated in a series of conference calls with the parties. The Staff understands that Canyon Treatment and the Sewer District have reached a contingent agreement for the transfer of assets. Both Canyon Treatment and the Sewer District believe that the Sewer District's Board of Directors will vote to allow the execution of the agreement during their next Board meeting, March 14, 2011.

WHEREFORE the Staff submits this status report for the Commission's information and consideration, and will file another status report to update the Commission on or before April 11, 2011.

Respectfully submitted,
