1 DIRECT TESTIMONY

2 OF

3 ROGER SALLEE

4 CASE NO. WR-2015-0231

5 **Q. Please state your full name and business address.**

6 A. My name is Roger Sallee. My business address is 62 Bittersweet Road, The
7 Village of Four Seasons, Missouri 65049

8 **Q. What is your position with Public Water Supply District Number Four of**
9 **Camden County, Missouri (the “District”)?**

10 A. I am an active member of the Board of Directors. This is my 5th term on the
11 District Board. I have been a member of the Board for 14 years. I am a
12 customer of both Ozark Shores Water Company (“Company”) and the District.

13 **Q. What is the purpose of your testimony?**

14 A. The office of the Missouri Attorney General and the Staff of the Missouri Public
15 Service Commission appear to be unclear about the reasons I voted in favor of the
16 District’s decision to enter an agreement with Ozark Shores Water Company to
17 purchase the Company’s assets. The purpose of my testimony is to correct
18 misunderstandings.

19 **Q. Did you, at any time during Board’s deliberations and decision to purchase**
20 **the assets of Ozark Shores Water Company, possess any conflict of interest**
21 **that would violate the duty of loyalty that you have to the current and future**
22 **ratepayers of the District?**

23 A. No.

1 **Q. Do you, your spouse, or your dependent children possess a direct or indirect**
2 **ownership interest in Ozark Shores Water Company, North Suburban**
3 **Public Utility or RPS Properties?**

4 A. No.

5 **Q. Are you, your spouse, or your dependent children an officer, director or**
6 **employee of Ozark Shores Water Company, North Suburban Public Utility**
7 **or RPS Properties?**

8 A. No.

9 **Q. Are you, your spouse, or your dependent children a creditor of Ozark Shores**
10 **Water Company, North Suburban Public Utility or RPS Properties?**

11 A. No.

12 **Q. Have you, your spouse, or your dependent children received any financial**
13 **benefit, or the promise of any future financial benefit, from any owner,**
14 **officer, director or employee of Ozark Shores Water Company, North**
15 **Suburban Public Utility or RPS Properties in exchange for my approval of**
16 **the purchase of the Ozark Shores Water Company assets?**

17 A. No.

18 **Q. Why did you vote to acquire the assets of the Ozark Shores Water**
19 **Company?**

20 A. After reviewing the transaction itself and the report of Boone Partners which has
21 been provided to the Commission already in this matter and deliberating the
22 merits of the proposal with the other Board Members, I voted to approve the
23 purchase of the assets. I cast my vote, as I believe the entire Board did, in

1 exercise of the business judgment rule. My vote in favor of the transaction was
2 cast in good faith; in the exercise of what I consider best business judgment; and
3 uninfluenced by any other consideration than the honest belief that the asset
4 purchase subserves the best interests of the District and its customers.

5 **Q. Does the District anticipate raising the rates of its customers, current or**
6 **proposed, in connection with this transaction?**

7 A. No, the District anticipates keeping the Company's current rate schedules and
8 adopting the rate schedules set in place by the Commission in 1998.

9 **Q. Does the District anticipate providing sewer services to the Company's**
10 **customers in the future?**

11 A. The District currently provides sewer service to a portion of the Company's
12 customers and will offer future sewer service as the Board deems it feasible. The
13 District was granted the authority under Section 247.035 to provide sewer service
14 to the majority of the Company's service territory in Case No. CV103-720CC by
15 the Camden County Circuit Court in September, 2005. The District does not
16 intend to affect the rights of any citizens within its boundaries to form a future
17 sewer district under Chapters 248, 249 or 250 of Missouri Revised Code.

18 **Q. Does this conclude your testimony?**

19 A. Yes, it does.
