Case No. SC-2007-0396

ORDER GRANTING MOTION FOR EXTENSION OF TIME TO RESPOND

Issue Date: July 18, 2007

Effective Date: July 18, 2007

On April 13, 2007,¹ the Staff of the Missouri Public Service Commission filed the instant complaint against Central Jefferson County Utilities, Inc. ("CJCU"), Raintree Plantation, Inc. ("Raintree"), Jeremiah Nixon ("Jeremiah"), Kenneth McClain ("Kenneth"), Norville McClain ("Norville"), and the Norville McClain Trust ("McClain Trust"). In general terms, the complaint alleges that the Respondents have provided unsafe and inadequate sewer services to approximately 681 residents of the Raintree Plantation Subdivision in Jefferson County, Missouri.

Staff filed its Motion for Partial Summary Determination on June 15, making CJCU's response in opposition due on July 16.² On July 12, a few days before that deadline, CJCU

filed its Motion for Extension of Time to Respond, explaining that due to the length and complexity of Staff's motion, it would be difficult for CJCUC to file its response by July 16. Therefore, CJCUC requests it be granted a one-week extension to respond to Staff's Motion for Partial Summary Determination. CJCUC further advises that neither Staff, the Office of the Public Counsel, nor any of the Respondents oppose its request.

Since the pleading to which CJCUC is preparing its response is lengthy and fairly involved and CJCUC's unopposed request for an extension is authorized under the terms of Commission Rule 4 CSR 240-2.050(3)(A), CJCUC's motion will be granted.

IT IS ORDERED THAT:

1. Central Jefferson County Utilities, Inc.'s Motion for Extension of Time to Respond is granted. Its response to Staff's Motion for Partial Summary Determination is now due no later than July 23, 2007.
2. This order shall become effective on July 18, 2007.
