**ORDER TO SHOW CAUSE
WHY DEFAULT ORDER SHOULD NOT BE ISSUED**

Issue Date: July 15, 2009

Effective Date: July 15, 2009

On February 25, 2009, the Staff of the Missouri Public Service Commission filed a complaint with the Commission against Rodney Glenn Construction, Inc., RDG Development, LLC and Rodney Glenn. The Commission then issued notice of the complaint to the Respondents. Because it was unclear whether Respondents received notice, the Commission issued a second notice of the complaint on April 28. The notice required Respondents to file an answer no later than May 28.

On May 28, Respondents filed a Motion to Expand Time to File Answer. The Commission issued an order granting the motion and directed Respondents to file an answer no later June 28. To date, Respondents have not filed an answer.

Commission rule 4 CSR 240-2.070(9) states that if Respondents fail to file a timely answer, the complainant's averments may be deemed admitted and Respondents found in default. The Commission will require Respondents to file a pleading stating why the Commission should not enter an order of default.

THE COMMISSION ORDERS THAT:

1. Rodney Glenn Construction, Inc., RDG Development, LLC and Rodney Glenn shall file a pleading as described in the body of this order no later than July 22, 2009
2. This order shall become effective upon issuance.
