OF THE STATE OF MISSOURI**

In The Matter of the Application of)	
Pacific South Telecom, Inc. for a)	Case No. ____-____-____
Certificate of Service Authority to)	
Provide Competitive Intrastate)	
Interexchange Telecommunications)	
Services Including Operator Services)	
in Missouri)	

APPLICATION

COMES NOW Pacific South Telecom, Inc., ("Applicant") and submits its Application respectfully requesting the Missouri Public Service Commission ("Commission") to issue Applicant a Certificate of Service Authority to provide competitive intrastate interexchange telecommunication services including operator services between and among locations within the state of Missouri pursuant to Section 392.440, RSMo (2000), an order classifying Applicant as a competitive telecommunications carrier, and an order waiving or suspending certain Commission rules and statutory provisions pursuant to Section 392.440, and an order waiving or suspending certain Commission rules and statutory provisions pursuant to Section 392.420. In support of its request, Applicant provides the following information:

1. Pacific South Telecom, Inc. was incorporated on November 20, 1997, under the laws of the State of Texas. The legal name and principal office or place of business of the applicant is:

Pacific South Telecom, Inc.
3419 Westminster Ave.
Suite 312
Dallas, TX 75205

Applicant is qualified to transact business in the state of Missouri and holds a certificate of authority as a foreign corporation to transact business in the state of Missouri, which is attached hereto as Exhibit I and incorporated herein by reference.

Copies of correspondence, communications and orders and decisions of the Commission are to be sent to the following:

Mr. Doug Simmons
Pacific-South Telecom, Inc.
3419 Westminster Avenue
Suite 312
Dallas, TX 75205

and to Applicant's in-state counsel:

Mr. Richard S. Brownlee III
Hendren Andrae, LLC
221 Bolivar Street, Suite 300
P.O. Box 1069
Jefferson City, MO 65102

2. The name and address of Applicant's registered agent in the state of Missouri is:

CT Corporation System
120 South Central Ave.
Clayton, MO 63105

3. In offering operator services to customers within Missouri, Applicant proposes to conduct its operator services pursuant to 4 CSR 240-33.130 and Section 392.515. Specifically:

- All calls are branded before call charges are incurred.
- Rates, billing method and complaint resolution procedures are disclosed upon request. This service is available at no charge, 24 hours per day.

- Traffic aggregators are obligated by contract and tariff to display and notice information that complies with FCC rules and applicable state requirements.
- Traffic aggregators are obligated by contract and tariff to provide access to alternative operator service providers.
- Where the local exchange carrier has the capability of identifying multiple carriers, Applicant is identified on the end user bill.
- No location surcharges are collected by Applicant for intrastate Missouri calls.
- Applicant does not intercept or route 911-calls. These calls complete directly through the servicing local exchange carrier. Applicant routes emergency 0- and 00- calls efficiently to the appropriate emergency agency in locations where it handles such calls.

Applicant uses reliable answer detection techniques and Applicant will not knowingly bill for incomplete calls. If for any reason a caller believes he or she has been charged for an uncompleted call, Applicant will issue credit for the charges under all reasonable circumstances.

4. Applicant possesses managerial and technical expertise to provide resale interexchange and operator telecommunications services throughout the state of Missouri.

5. Applicant possesses the financial ability to provide the requested services.

6. Applicant requests classification as a competitive telecommunications company operating within the state of Missouri. Applicant further requests classification of services described in their tariff as competitive services.

7. Applicant respectfully requests, pursuant to Section 392.420, that the Commission suspend, waive or modify the application of the following rules and statutory provisions as they relate to the regulation of the applicant:

- | | | |
|------------------------|---|---|
| 4 CSR 240-10.020 | - | Depreciation fund income |
| 4 CSR 240-3.545 (2)(C) | - | Rate schedules should be posted at central office |
| 4 CSR 240-30.040 | - | Uniform system of accounts |
| 4 CSR 240-33.030 | - | Inform customers of lowest price |
| | | |
| Section 392.210.2 | - | Uniform System of Accounts |
| Section 392.240.1 | - | Just and Reasonable rates |
| Section 392.270 | - | Ascertain Property values |
| Section 392.280 | - | Depreciation Accounts |
| Section 392.290 | - | Issuance of securities |
| Section 392.300.2 | - | Acquisition of Stocks |
| Section 392.310 | - | Issuance of stock and debt |
| Section 392.320 | - | Stock dividend payments |
| Section 392.330 | - | Issuance of securities, debt and notes |
| Section 392.340 | - | Reorganizations |

The above referenced rules and statutory provisions have been waived with regard to other interexchange carriers in prior cases. These rules or statutory provisions are principally designed to apply to noncompetitive telecommunications carriers. It would be inconsistent with the goal and purpose of Section 392.530 to apply them to a competitive telecommunications carrier such as the Applicant.

8. Applicant's tariff contains the rules and regulations applicable to its customers, a description of the services offered, and a list of rates associated with such services.

9. Applicant will not unjustly discriminate among its customers, which discrimination is prohibited pursuant to Section 392.200.

10. Applicant has no pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates, which action, judgment, or decision has occurred within three (3) years of the date of this Application.

WHEREFORE, Pacific-South Telecom, Inc. respectfully requests the Commission to grant it a certificate of service authority to offer competitive intrastate interexchange telecommunication services including operator services within the state of Missouri; an order classifying it as a competitive telecommunications company providing competitive service; an order suspending, waiving or modifying the above reference rules and statutory provision as they relate to the regulation of the Applicant in the state of Missouri, and for such further orders as the Commission deems appropriate.

Respectfully submitted,

A handwritten signature in black ink, reading "Richard S. Brownlee III", with a stylized flourish at the end.
