Primus Telecommunications, Inc. and)	Case No. XM-2008-0186
Least Cost Routing, Inc. for Approval)	Tariff Nos. YX-2008-0367, YX-2010-0658
of an Internal Reorganization)	

STAFF RECOMMENDATION

COMES NOW the Staff of the Missouri Public Service Commission and for its recommendation states:

1. On December 20, 2007, the Commission approved the Joint Application and Least Cost Routing, Inc.'s ("LCR") Tariff. As part of its order, the Commission directed Primus Telecommunications, Inc. ("Primus"), and LCR to notify the Commission within ten days of the completion of their merger. On May 17, 2010, Primus adopted LCR's tariff, adopting all of its rates, terms and conditions. On May 18, 2010, the Companies notified the Commission that the merger had been completed and that LCR's certificate of service authority should be cancelled.

2. As the Commission has already approved the merger, and as Primus has complied with the conditions set in the Order approving the merger application and tariff by notifying the Commission and adopting LCR's tariffs without alteration, the Staff recommends that the Commission immediately approve the tariff adoption and cancel LCR's certificate of service authority.

WHEREFORE, the Staff recommends that the Commission issue an order that approves the tariff adoption, cancels LCR's service authority and closes this matter.

Respectfully submitted,

Colleen M. Dale
