America, Inc.'s Application for Change of       )

Case No. TO-98-563

**ORDER RECOGNIZING CHANGE OF CORPORATE NAME**  
**AND APPROVING ADOPTION NOTICE**

Intelnet Services of North America submitted an adoption notice on June 18, 1998, designed to reflect its change of corporate name to Intelnet International Corp. (Intelnet). On June 25, 1998, Intelnet submitted its revised Adoption Notice, which is substituted for the original adoption notice. The company was certificated to provide interexchange telecommunications services on November 17, 1997 in Case No. TA-98-139. Intelnet included with its filing an Amended Certificate of Authority of a Foreign Corporation from the Missouri Secretary of State reflecting its new corporate name.

Intelnet's adoption notice carries an effective date of July 18, 1998.

The Staff of the Commission (Staff) filed a memorandum on July 7, 1998, stating that it had reviewed the company's filing and substitute adoption notice and had no objection to their approval, as amended. Staff recommended that the name change be recognized and the revised adoption notice approved to become effective on July 18, 1998.

The Commission has reviewed Intelnet's filing, the substitute adoption notice and Staff's recommendation, and finds that the change of name should be recognized. The Commission further finds that the substitute adoption notice reflecting that change of name should be approved.

**IT IS THEREFORE ORDERED:**

1. That the change of corporate name from Intelnet Services of North America to Intelnet International Corp. is acknowledged.
2. That the substitute adoption notice denominated P.S.C. Mo. - No. 1, Original Adoption Notice Page, is approved to become effective on July 18, 1998.
3. That this order shall become effective on July 18, 1998.
