**ORDER APPROVING TARIFF SHEETS IN COMPLIANCE**  
**WITH REPORT AND ORDER**

On December 4, 1997, the Commission issued a Report and Order in this case. The Report and Order approved a unanimous stipulation and agreement entered into by the parties. That Report and Order provides that St. Louis County Water Company may file revised tariff sheets containing rate schedules for water service designed to produce an increase in overall Missouri jurisdictional annual water revenues of \$3,800,000, exclusive of any applicable license, occupation, franchise, gross receipts taxes or other similar fees or taxes.

On December 24 the Water and Sewer Department Staff (Staff) filed a memorandum regarding the proposed tariff sheets. Staff states that the proposed tariff sheets have been reviewed, that they comply with the Commission's Order, and are consistent with the rate design data presented in the case.

The Commission has reviewed the proposed tariff sheets and Staff's memorandum. The Commission finds that the tariff sheets should be approved because they are in compliance with the Commission's order.

**IT IS THEREFORE ORDERED:**
