FIRST AMENDMENT TO APPLICATION

Comes now Summit Natural Gas of Missouri, Inc. (“SNG” or “Company”), and, for its First Amendment to Application, respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. On August 12, 2013, SNG filed an Application and Motion for Waiver requesting an Accounting Authority Order related to state and county changes in assessment methodology. Paragraph 9 of the Application stated that Appendices 3A-3P were being provided with the Application. Appendices 3A-3L were actually provided.

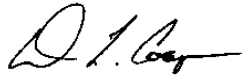

2. Commission Rule 4 CSR 240-2.080(18) states, in part, that “Any pleading may be amended within ten (10) days of filing, unless a responsive pleading has already been filed, or at any time by leave of the Commission.”

3. SNG hereby amends its Application by replacing the Appendices referenced in Paragraph 9, from “3A-3P” to “3A-3L.”

4. This amendment does not impact the conclusions of the Application, but corrects the identification of the referenced appendices.

WHEREFORE, SNG amends its Application and Motion for Waiver as described herein.

Respectfully submitted,
