**REQUEST FOR ADDITIONAL TIME

COMES NOW Summit Natural Gas of Missouri, Inc. (“SNGMO” or the “Company”) and respectfully requests an additional twenty days, to June 21, 2018, to submit its response to the Staff Report and Recommendation filed herein on May 22, 2018. In support thereof, SNGMO respectfully states as follows to the Missouri Public Service Commission (“Commission”):

1. SNGMO submitted its Application herein on February 8, 2018, and Staff filed its Report and Recommendation on May 22, 2018.

2. There is no Commission order currently specifying a date by which SNGMO must submit any response to the Staff Report and Recommendation, and Commission Rule 4 CSR 240-2.080(13) provides that parties shall be allowed ten days from the date of filing in which to respond to any pleading unless otherwise ordered by the Commission. As such, any response SNGMO wishes to submit regarding Staff’s Report and Recommendation is currently due June 1, 2018 (ten days following May 22, 2018).

3. Staff’s Report and Recommendation raises various issues and recommends denial of the Application based on the information now before the Staff. The Company believes it would be beneficial to have additional time to discuss this matter and provide additional

documentation to Staff regarding the Application. To allow for this additional discussion, SNGMO requests an extension of an additional 20 days for the filing of its response to Staff's Report and Recommendation.

WHEREFORE, SNGMO respectfully requests an additional 20 days, to June 21, 2018, to submit its response to the Staff Report and Recommendation. SNGMO requests such other and further relief as is just and proper under the circumstances.
