Case No. TA-97-203

ORDER DIRECTING SUPPLEMENTAL NOTICE
AND SETTING HEARING ON STIPULATION

The parties filed a Stipulation and Agreement on June 16, 1997, purporting to resolve the issues in this case. Because of the nature of the service Missouri Comm South, Inc. intends to provide, the parties agreed to certain waivers in addition to those previously approved for competitive local exchange carriers. Not all the waivers Missouri Comm South is now requesting, and the parties have agreed to, were listed in the company's initial application and the Order and Notice. The parties requested the Commission to issue a supplemental notice to interested parties to alert them to the fact that additional waivers could be granted.

The Commission finds that additional notice should be given to the same companies that receive notice of applications for interexchange service authority to advise them that Missouri Comm South is requesting all the waivers listed below:
