ORDER APPROVING TARIFFS

On August 25, 1992 the Osage Water Company (Osage) was granted,  
inter alia, a Certificate of Convenience and Necessity for additional service  
area effective September 4, 1992. The Commission therein ordered Osage to update  
its tariff within twenty (20) days of the effective date of the order by filing  
a revised map and legal description consistent with the approved service area.  
On August 31, 1992 Osage submitted its proposed tariffs with a proposed effective  
date of October 15, 1992. Subsequent to filing, a minor correction was requested  
by letter from Osage and that correction was made by the Commission's Staff  
(Staff).

On September 25, 1992 the Staff filed its recommendation regarding the  
proposed tariffs and stated therein that they complied with the Commission's  
order and recommended that the Commission approve them. Having considered the  
proposed tariffs as filed by Osage and the Staff's recommendation, the Commission  
determines that the proposed tariffs as filed by Osage are acceptable and comply  
with the Commission's order herein and will be approved.

**IT IS THEREFORE ORDERED:**
