STATUS REPORT

COMES NOW the Staff of the Missouri Public Service Commission, by and through the undersigned counsel, and for its *Status Report*, states as follows:

1. On February 17, 2016, the Commission granted a six-month extension to the Receiver for Gladlo Water & Sewer Company ("Receiver") to file a small water and sewer rate case, as required by the *Unanimous Stipulation and Agreement* approved by the Commission.

2. On August 23, 2016, after six months had elapsed, the Commission directed Staff and the Receiver to file a status report.

3. Staff has been in contact with the Receiver for Gladlo Water & Sewer Company, who has indicated that he is preparing for a small rate case filing. The Receiver has indicated a filing should occur prior to September 30, 2016, as the Receiver needs additional time to finish discussions with various third-party entities.

WHEREFORE, Staff prays that the Commission will accept its *Status Report* and grant the requested relief or such other and further relief as the Commission deems just.

Respectfully submitted,

/s/ Jacob T. Westen
