**ORDER GRANTING EXTENSION OF TIME  
TO FILE DISPOSITION AGREEMENT**

Issue Date: August 7, 2014

Effective Date: August 7, 2014

On March 11, 2014, Central Rivers Wastewater Utility, Inc. ("Central Rivers") filed a request with the Missouri Public Service Commission ("Commission") seeking approval of an increase in its annual sewer system operating revenues pursuant to Commission Rule 4 CSR 240-3.050. Under subsection 11 of that rule, the Commission's Staff is required to file a disposition agreement providing for a full or partial resolution of Central Rivers' rate increase request no later than August 8, 2014. On August 6, 2014, Staff filed a motion requesting a 30-day extension of time in which to file the disposition agreement. Staff represents that Central Rivers agrees with the request for an extension of time.

Commission Rule 4 CSR 240-3.050(12) provides that Staff and Central Rivers may agree that the deadline to file a disposition agreement be extended for up to two months. The Commission concludes that Staff's motion meets the requirements of the rule, and the relief requested is reasonable. Therefore, the Commission will extend the time for Staff to file the disposition agreement until September 8, 2014.

**THE COMMISSION ORDERS THAT:**

1. The deadline for Staff to file the disposition agreement required by Commission Rule 4 CSR 240-3.050(11) is extended until no later than September 8, 2014.

2. This order shall become effective immediately upon issuance.
