

BEFORE THE PUBLIC SERVICE COMMISSION

OF THE STATE OF MISSOURI

In the Matter of Central Rivers Wastewater)
Utility, Inc.'s Annual Report.) **Case No. SE-2005-0419**

ORDER GRANTING EXTENSION OF TIME **WITHIN WHICH TO FILE AN ANNUAL REPORT**

Issue Date: June 10, 2005

Effective Date: June 20, 2005

On May 16, 2005, Central Rivers Wastewater Utility, Inc. filed an application for an extension of time, until July 15, 2005, within which to file its annual report. The company explains that its chief financial officer has had a debilitating illness and has not been able to obtain and assemble the documentation and information required to complete its annual report. The company further explains that its accountant, due to the tax season, has also been unable to file the report.

On May 27, 2005, the Staff of the Commission recommended that the Commission grant the company's request for an extension of time. Staff informs the Commission that the company had previously been granted a request for an extension, until May 15, 2005, to file its annual report. Staff also notes that the company, in a separate matter,¹ has filed an application for a certificate of convenience and necessity that would allow it to expand its service area. Staff suggests that the Commission suspend the proceedings in that matter until the company submits its annual report.

Section 393.140(6), RSMo 2000, allows the Commission, for cause shown, to extend the time in which a company must file its annual report. The Commission has

reviewed the company's application and Staff's recommendation and, finding cause, will grant the company's request and direct the company to file a pleading informing the Commission that the annual report has been filed. The Commission will also note in Case No. SA-2005-0302 that the company will not be granted a certificate of convenience and necessity while not having submitted its annual report.

IT IS THEREFORE ORDERED:

1. That Central Rivers Wastewater Utility, Inc., is granted an extension of time in which to file its annual report.
2. That Central Rivers Wastewater Utility, Inc., shall file its annual report no later than July 15, 2005.
3. That upon filing its annual report, Central Rivers Wastewater Utility shall file a pleading informing the Commission that the annual report has been filed.
4. That this order shall become effective on June 20, 2005.
