**ORDER GRANTING MOTION TO STAY FILING OF RECOMMENDATION
AND TO INSTEAD FILE STATUS REPORTS**

Issue Date: September 9, 2010

Effective Date: September 9, 2010

On September 8, 2010, the Staff of the Commission filed a motion to stay the filing of a status report due on September 8. Rather, Staff requests that it be allowed to file status reports every 60 days.

In support of its motion, Staff explains that the parties continue to discuss expansion of the treatment plant for additional capacity and submission of the plans to the Department of Natural Resources. Staff informs the Commission that no party opposes its motion.

The Commission finds that motion reasonable and will grant the requested relief.

THE COMMISSION ORDERS THAT:

1. The Staff of the Commission's motion is granted to stay the filing of a recommendation and instead to file status reports every 60 days.

2. The Staff of the Commission shall file a status report every 60 days, beginning on November 8, 2010.

3. This order shall become effective upon issuance.
