<b>To Cancel its Certificate of Service</b>	)	<b>Case No. _____</b>
<b>Authority and Tariffs in the State of Missouri.</b>	)	

**APPLICATION TO CANCEL  
CERTIFICATE OF SERVICE AUTHORITY AND TARIFFS**

COMES NOW T-NETIX Internet Services, Inc. ("TIS"), through its undersigned counsel, and pursuant to 4 CSR 240-2.060 and §392.410(5), RSMo 2000, respectfully requests the Missouri Public Service Commission ("Commission") to cancel its Certificate of Service Authority and Tariff. In support of its Application, states as follows:

1. TIS is a Delaware corporation with principal offices located at 1544 Valwood Parkway, Suite 102, Carrollton, TX 75006. The Commission issued TIS a Certificate of Service Authority to provide intrastate interexchange telecommunications services within the state of Missouri in Case No. TA-2001-201.

2. TIS' certificate of authority to do business from the Missouri secretary of state was provided in Case No. TA-2001-201. Pursuant to 4 CSR 240-2.060(G), TIS requests that the certificate and registration be incorporated by reference herein.

3. TIS does not currently have any customers in the state of Missouri and, as its business plans have changed, TIS no longer intends to provide telecommunications service in Missouri. Accordingly, TIS customer notification is not necessary and there is no customer impact associated with approval of this petition.

4. TIS does not have any pending actions or final unsatisfied judgments or decisions against it from any state or federal agency or court which involve customer service or rates.

which action, judgment or decision has occurred within three (3) years of the date of the application. TIS does not, to the best of its knowledge, have any overdue annual reports or assessment fees.

**Public Interest**

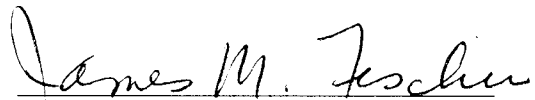

6. Cancellation of TIS' Certificate of Service Authority and tariffs is not detrimental to the public interest. The public will not be harmed by TIS' withdrawal because, as stated above, TIS does not provide any telecommunications services to customers in Missouri, and thus, no customers will be affected. Furthermore, there are many other alternative

telecommunications providers from whom Missouri residents can purchase interexchange telecommunications services.

**Conclusion**

WHEREFORE, T-NETIX Internet Services, Inc. respectfully requests the Commission to issue an order canceling its certificate of service authority and tariffs and granting such other relief as is reasonable in the circumstances.

Respectfully submitted,

James M. Fischer MBN 27543
