Taxpayer:
We at the assessor's office understand that there is often not enough space to enter all the personal property (vehicles, machinery, livestock, etc.) that you own. We are providing extra space below for any additional items to list or comments that you would like to make. Only list items not shown in the box on the front of this form, as that list consists of the items on your 2012 Assessment List. It is especially important that we receive your assessment list before March 1, 2013. Missouri Law (137.280 RS MO 1994) requires all assessors to levy a penalty for delinquent list which are submitted after that date. We respectfully ask that you take the time to fill out this list and return it before March 1 in order to avoid penalty.

Sincerely,

Johnny North

Laclede County Assessor
