IMPORTANT NOTICE TO ALL MISSOURI PUBLIC UTILITIES

Pursuant to Section 392.210, RSMo Section 393.140, RSMo and 4 CSR 240-10.080, public utilities are required to file an annual report with the Missouri Public Service Commission.

Please Note:

- ✓ Due date **April 15, 2003**
- ✓ The form(s) submitted to the Commission must be originals in loose-leaf format (an electronic version may be submitted in EFIS)
- ✓ Attempts to substitute forms such as stockholder reports without concurrently filing official Commission forms with appropriate cross-references will be considered non-compliant
- ✓ Complete each question fully and accurately, even if it has been answered in a previous annual report. Enter the word "None", "0" or "N/A" where it truly and completely states the fact
- ✓ Each utility must submit a report whether or not it had revenues during the reporting year

Reports that do not meet the requirements will not be considered "filed." Utilities will be subject to legal action under state law for failure to file on time or make a timely extension request.

Requests to file under seal:

Under a new procedure proposed by the Staff, utilities may request classification of selected portions of their annual report as non-public. Please note that all information classified as non-public will still remain subject to potential disclosure as provided under the Missouri open records act (Chapter 610 RSMo) and Section 386.480, RSMo.

In order to take advantage of the new procedure, the submitter **must** provide both a fully completed version to be kept under seal and a redacted public version that clearly informs the reader that the redacted information has been submitted under seal. A detailed affidavit must be prominently attached to both versions that identifies the specific types of information to be kept under seal, provides a reason why the specific information should be a closed record, and stating that none of the requested information is available to the public in any format. Submittals that do not include both versions will not receive confidential treatment and will be subject to disclosure to the public.

Requests for extension to file annual report:

Under a **new procedure** proposed by the Staff, utilities may request an extension of less than 30 days by 1) making a written notification prior to April 15th to the Manager of the Data Center (an EFIS option for this exists under "Filing/Submission - Non-case Related Submission - MO PSC Annual Report Extension Request") that states the reason for the extension, and 2) certifying that a copy of the written request was sent to all parties of record in pending cases where the Company's activities are the primary focus (i.e., where the Company is identified as a moving party in the case caption) of the proceeding.

All requests for more than a 30 day extension must be filed as a pleading, by an attorney licensed to practice in Missouri, stating the reason for the extension and certifying that a copy of the written request was sent to all parties of record in pending cases where the Company's activities are the primary focus (i.e., where the Company is identified as a moving party in the case caption) of the proceeding.

Questions about the annual report form or its content may be submitted to:
Bill Meyer (573) 751-5026 or by email at Billmeyer@psc.state.mo.us or
Janis Fischer (573) 751-4257 or by email at Janisfischer@psc.state.mo.us

The completed document should be submitted under EFIS (accessible from the Commission's Web page <http://www.psc.state.mo.us/>) or mailed to:

ELECTRONIC FILING & INFORMATION SYSTEM

The Electronic Filing and Information System (EFIS) is the Missouri Public Service Commission's web-based electronic document management system. It contains public documents that can be accessed through your Internet browser.

HOW DOES EFIS WORK?

FOR THE PUBLIC: The general public can access information found under the web heading "Resources."

In addition, the general public can submit informal complaints regarding their utility service provider(s), or make public comments on a pending issue before

the Missouri Public Service Commission.

The general public has access to on-line viewing of current utility company tariffs, which list all rights and responsibilities of the consumer, as well as the utility and jurisdictional rates that pertain to utility services.

FOR UTILITIES: Users who are from the public utility sector, or represent members of the public utility sector, can register their company/firm, individuals and attorneys who will do business with the Missouri Public Service Commission.

Registered users may file:

- ♦ Applications to do business in Missouri
- ♦ Pleadings, motions and promotional services
- ♦ Tariff revisions
- ♦ New tariffs and non-case related reports (i.e. Annual Reports)

FOR THE MEDIA:

Members of the news media can take advantage of the Electronic

Information and Filing System because the tech-

nology allows the media to have, at their fingertips, access to all public testimony and exhibits filed in cases before the Missouri Public Service Commission.

On The Web

IMPORTANT NOTICE TO ALL MISSOURI PUBLIC UTILITIES

Pursuant to Section 392.210, RSMo Section 393.140, RSMo and the rules at 4 CSR 240-3.165 (Electric Utilities), 4 CSR 240-3.245 (Gas Utilities), 4 CSR 240-3.335 (Sewer Utilities), 4 CSR 240-3.435 (Steam Heating Utilities), 4 CSR 240-3.540 (Telecommunications Companies), and 4 CSR 240-3.640 (Water Utilities), public utilities are required to submit an annual report to the Missouri Public Service Commission.

Please Note:

- ✓ Due date **April 15, 2004**
- ✓ The form(s) submitted to the Commission must be originals in loose-leaf format (an electronic version may be submitted in EFIS)
- ✓ Attempts to substitute forms such as stockholder reports without concurrently filing official Commission forms with appropriate cross-references will be considered non-compliant
- ✓ Complete each question fully and accurately, even if it has been answered in a previous annual report. Enter the word "None", "0" or "N/A" where it truly and completely states the fact. An unanswered question will result in a deficiency notice requiring an additional response.
- ✓ Each utility must submit a report whether or not it had revenues during the reporting year

Reports that do not meet the requirements will not be considered "submitted." Utilities will be subject to legal action under state law for failure to submit annual reports on time or make a timely extension request. A utility that does not timely file its annual report, or its response to a notice that its annual report is deficient, is subject to a penalty of one hundred dollars and an additional penalty of one hundred

dollars for each day that it is late in filing its annual report or response to a notice of deficiency.

Requests to submit annual report data under seal:

Utilities may request classification of selected portions of their annual report as non-public. Please note that all information classified as non-public will still remain subject to potential disclosure as provided under the Missouri open records act (Chapter 610 RSMo) and Section 386.480, RSMo.

In order to take advantage of the new procedure, the submitter, either through EFIS or in hard copy form, must:

- A. Provide both a fully completed version to be kept under seal and a redacted public version that clearly informs the reader that the redacted information has been submitted under seal. The cover of each version must clearly identify whether it is the public or the non-public version. Each page of each version of the report containing non-public information should be clearly identified as containing such information.
- B. Submit both versions of the annual report with a cover letter stating that the utility is designating some or all of the information in its annual report as confidential information, including the name, phone number and e-mail address (if available) of the person responsible for addressing questions regarding the confidential portions of the annual report;
- C. Prominently attach a detailed affidavit to both versions that identifies the specific types of information to be kept under seal, provides a reason why the specific information should be a closed record, and stating that none of the requested information is available to the public in any format.

Requests for extension to submit annual report:

Utilities may request an extension of less than 30 days by 1) making a written notification prior to April 15th to the Manager of the Data Center (the EFIS option for this is located under "Filing/Submission - Non-case Related Submission - MO PSC Annual Report Extension Request") that states the reason for the extension, and 2) certifying that a copy of the written request was sent to all parties of record in pending cases where the Company's activities are the primary focus (i.e., where the Company is identified as a moving party in the case caption) of the proceeding.

All requests for more than a 30 day extension must be filed as a pleading, by an attorney licensed to practice in Missouri, stating the reason for the extension and certifying that a copy of the written request was sent to all parties of record in pending cases where the Company's activities are the primary focus (i.e., where the Company is identified as a moving party in the case caption) of the proceeding. The filing should be submitted in pleading form and comply with the filing requirements of Chapter 2 of 4 CSR 240.

The current Commission rules governing annual report submissions are in the process of being updated to match the directions contained in this letter. The Commission expects that the amendments will go into effect on April 30, 2004. Although not in effect by the April 15, 2004, annual report due date, the Commission's Staff will expect public utilities to abide by these provisions. The full text of the proposed rule (starting on page 4 of the following link) is available at <http://www.sos.mo.gov/adrules/moreg/current/2003/v28n24/v28n24b.pdf>

Questions about the annual report form or its content may be submitted to:
Janis Fischer (573) 751-4257 or by email at Janis.Fischer@psc.mo.gov

The completed document should be submitted under EFIS (accessible from the Commission's Web page <http://www.psc.state.mo.us/>) or mailed to:

Attn: Regulatory Utility Assessment Coordinator

Dear Sir or Madam:

Gross intrastate operating revenue is to be reported in compliance with the provision of Section 386.370 RSMo. By law, regulated utility companies are assessed annually for the Public Service Commission's operating costs in proportion to their operating revenues. Please follow the instructions below when completing the Statement of Revenue form:

- Due on or before **March 31, 2004**.
- Report, to the nearest dollar, gross intrastate operating revenue for the 2003 calendar year on the enclosed pre-printed Statement of Revenue form. If you did not receive a pre-printed Statement of Revenue form for all of the companies that you operate, a blank form may be printed from our website at www.psc.mo.gov (located under "Forms").
- Under a **new procedure**, companies may submit an electronic version of the Statement of Revenue form through the Commission's Electronic Filing and Information System (EFIS) located on our website. Instructions are available at http://pscepr/mpsc/help/FilingSubmission/NonCase/NonCase_Related_Submissions.pdf.
- **If you had "zero" gross intrastate operating revenue** for calendar year 2003, you must show the "zero" amount on the Statement of Revenue form and mark yes or no indicating whether you wish to retain the operating certificate.
- **If you operate more than one company that provides the same type of utility service** (i.e., telephone), **revenue cannot be combined** on one form. A separate Statement of Revenue form must be submitted for each company.
- The gross intrastate operating revenue reported on the **Statement of Revenue must match** the Missouri Specific Revenue reported on the **Annual Report**.

Statement of Revenue
January 15, 2004

- The Statement of Revenue form must be signed by an official representative of the company and witnessed by a Notary Public.
- Statement of Revenue forms are treated confidentially as provided for in Section 386.480 RSMo.

Please be aware that if you do not submit a Statement of Revenue form for ALL companies, Commission staff will estimate the company's operating revenue for 2003, and the assessment will be calculated based upon this estimated revenue figure.

The completed Statement of Revenue form should be submitted through EFIS (accessible from the Commission's website at www.psc.mo.gov) or mailed to:

Missouri Public Service Commission
Attn: Budget & Fiscal Services Department
P.O. Box 360

Please contact the Budget & Fiscal Services Department at (573) 751-4274 if you have any questions.
