

**AMENDMENT TO THE AGREEMENT
BETWEEN
T-Mobile USA, Inc.
AND
Southwestern Bell Telephone Company d/b/a AT&T MISSOURI**

This Amendment (the "Amendment") amends the VoiceStream Wireless Corporation Agreement for Interconnection and Reciprocal Compensation by and between Southwestern Bell Telephone Company d/b/a AT&T Missouri, previously referred to as Southwestern Bell Telephone Company, ("SWBT") hereinafter referred to as "AT&T" and T-Mobile USA, Inc. acting on behalf of its operating subsidiaries including T-Mobile Central LLC ("Carrier"). AT&T and Carrier are hereinafter referred to collectively as the "Parties" and individually as a "Party".

WHEREAS, AT&T and Carrier are parties to an Agreement for Interconnection and Reciprocal Compensation under Sections 251 and 252 of the Communications Act of 1996 for Commercial Mobile Radio Service (CMRS), dated January 22, 2000 and as subsequently amended (the "Agreement"); and

WHEREAS, pursuant to the Report and Order and Further Notice of Proposed Rulemaking issued by the Federal Communications Commission ("FCC") on November 18, 2011 (FCC 11-161), and as amended by the FCC on December 23, 2011 (FCC 11-189), the Parties desire to amend the Agreement to establish bill-and-keep as the compensation arrangement for IntraMTA Traffic exchanged between the Parties.

NOW, THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. AT&T shall reflect that name change from "VoiceStream Wireless Corporation " to "T-Mobile USA, Inc" only for the main billing account (header card) for each of the accounts previously billed to T-Mobile USA, Inc. f/k/a VoiceStream Wireless Corp. AT&T shall not be obligated, whether under this Amendment or otherwise, to make any other changes to AT&T's records with respect to those accounts, including to the services and items provided and/or billed thereunder or under the Agreement. Without limiting the foregoing, T-Mobile USA, Inc. affirms, represents, and warrants that the ACNA and OCN for those accounts shall not change from that previously used by T-Mobile USA, Inc. f/k/a VoiceStream Wireless Corp. with AT&T for those accounts and the services and items provided and/or billed thereunder or under the Agreement.
2. The Parties agree to include the following definitional modification:

The Parties intend their Agreement refer to the new definitional terms that the FCC has used in its new rules, including "Non-Access Telecommunications Traffic" and "Access Telecommunications Traffic." Thus, any references in the Agreement to "local" or "intraMTA" traffic are replaced with the term, "Non-Access Telecommunications Traffic." Similarly, any references in the Agreement to "toll," "Non-Local" or "interMTA" traffic are replaced with the term, "Access Telecommunications Traffic." Specifically, consistent with FCC Rule §51.701(b), the term "Non-Access Telecommunications Traffic" means traffic exchanged between a LEC and a CMRS provider that, at the beginning of the call, originates and terminates within the same Major Trading Area. Non-Access Telecommunications Traffic does not include transit or intermediary traffic.

3. Effective July 1, 2012, the Parties shall implement bill-and-keep for Non-Access Telecommunications Traffic exchanged between the Parties over Type 2A, Type 2B or Type 1 interconnection trunks and facilities. Specifically, neither Party shall compensate the other Party for Non-Access Telecommunications Traffic exchanged between the Parties.
4. In accordance with the schedule in FCC Order 11-161, effective July 1, 2012, for terminating intrastate or interstate InterMTA Traffic, i.e. non-IntraMTA Traffic, Carrier shall pay a blended rate that consists of the average of AT&T's intrastate and interstate rates for the switched network access service rate elements, on a per minute of use basis,

which are set forth in each, AT&T 's Intrastate Access Services Tariff and Interstate Access Services Tariff, as those tariffs may be amended from time to time. This provision does not apply to transit traffic.

5. The Parties agree to remove the terminating InterMTA rates and to replace the Mobile to Land Interconnection Rates Per Minute of Use for Type 2A, Type 2B and Type 1 in Appendix Pricing of the Agreement with the rates contained in Exhibit 1 attached hereto. IntraMTA Traffic will continue to be referenced as Section 251(b)(5) Calls Transport and Termination in Exhibit 1. In all other respects the Appendix Pricing shall remain the same.
6. The Parties agree that the terms and conditions of this Agreement shall apply only to Non-Access Telecommunications Traffic, as defined herein. Further, the terms and conditions shall only apply to traffic originated by, or terminated to, a wireless carrier's network; e.g., this Agreement specifically does not include traffic that only uses a wireless carrier's FCC licensed CMRS services to relay the call from one wireline facility to another carrier.
7. For purposes of carriers adopting this Agreement, there shall be no retroactive application of any provision of this Amendment.
8. EXCEPT AS MODIFIED HEREIN, ALL OTHER TERMS AND CONDITIONS OF THE UNDERLYING AGREEMENT SHALL REMAIN UNCHANGED AND IN FULL FORCE AND EFFECT.
9. In entering into this Amendment, neither Party waives, and each Party expressly reserves, any rights, remedies or arguments it may have at law, or under the intervening law, or regulatory change provisions, in the underlying Agreement (including intervening law rights asserted by either Party via written notice predating this Amendment) with respect to any orders, decisions, legislation or proceedings and any remands thereof, which the Parties have not yet fully incorporated into this Agreement or which may be the subject of further review.
10. This Amendment shall not modify or extend the Effective Date or Term of the underlying Agreement, but rather, shall be coterminous with such Agreement.
11. This Amendment shall be filed with and is subject to approval by the State Commission and shall become effective ten (10) days following approval by such Commission ("Amendment Effective Date"). Subsequent to Commission approval, the rate changes, as set forth in Section 4 above, will be implemented as of July 1, 2012.
